SOCIAL MEDIA MARKETING

Understanding and connecting with your target audience.

"You don't want Social Media Marketing? Okay, let us know when your customer can click on a newspaper or a billboard and take them to your point of purchase or lead generation."

Social media is where the consumer now spends on average 90 minutes a day according to Business Insider. As such, it is imperative for the brand to be where its customers and prospective customers are each day. Brandmint will develop and manage ongoing Facebook advertising strategies.

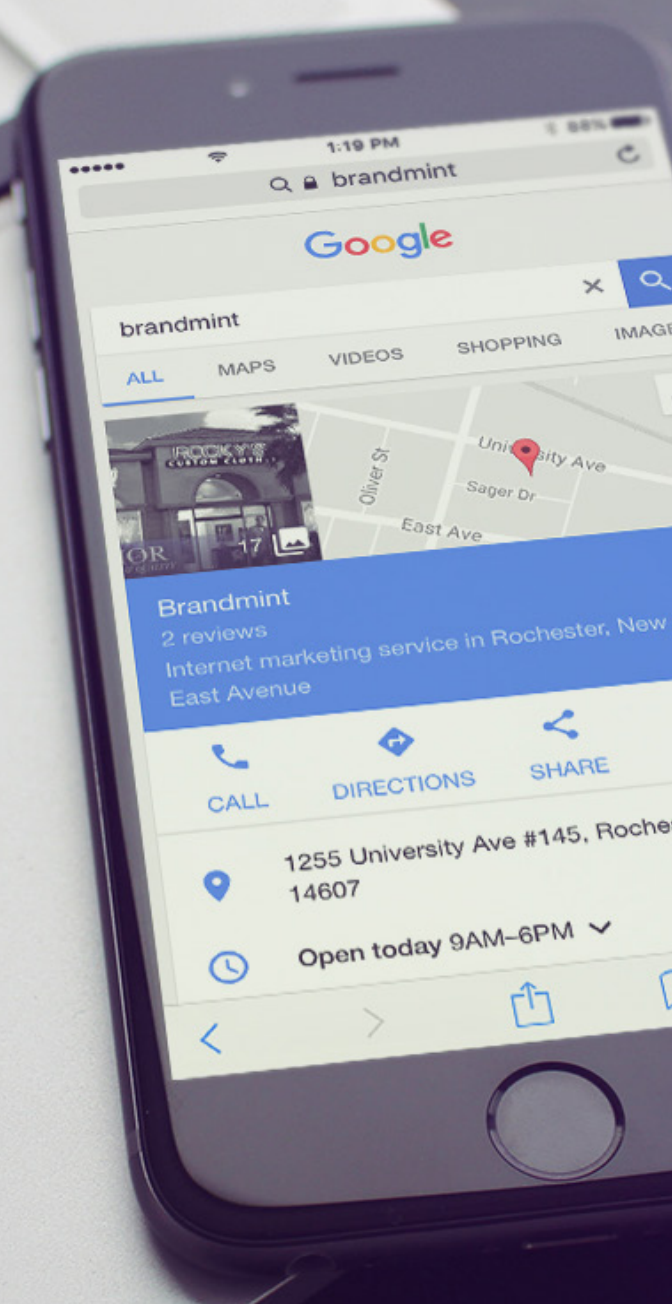

SEARCH ENGINE OPTIMIZATION

Brandmint provides Search Engine Optimization Services in order to increase your website's rankings for target keywords, ultimately increasing the amount of traffic flowing into the website. This, combined with a new "conversionbased", SEO optimized design will drastically improve the value of the website to your company.

Online Database Management

We will make sure that your company's information (business name, address, phone number, etc.) is uniform throughout all search engines.
