DELIVERABLES

This web development package will include the following monthly deliverables:

- A responsive-designed website that is visually appealing to visitors. Responsive meaning that whatever device the site is viewed on, it will scale appropriately to the screen showing the site's content.
- The template-based website will allow you to edit the website at your disposal.
- We can train you to edit your site as needed without the hassle of an ongoing bill or you can opt to have Brandmint make monthly edits. Monthly edits not included in this contract. Additional \$60 per month for one photo or copy change per month. New pages are not to be created under the monthly edit package. Additional pages after the five page maximum requirement.
- This site will have better organized pages and navigation.
- This is not to be more than five pages. Customer will provide copy and content (photo & video). If custom copy, photo, or video is to be provided by Brandmint it will require separate charges. Stock photos and video to be provided at no additional cost.
- Any requests to changes outside the realm of the design of the template cannot be made to the site.
- Consistency of messaging, motivating the consumer and enhancing web performance from an SEO perspective.
- The site is to be used as an informational piece to give visitors information.
- The site can include include home page, about page, one submission form, mailchimp integration, map, menu, calendar of events, open table integration, bands in town integration, social integration. Not to exceed five of these options per this contract. E-commerce integration is not included.
- Work-Order form to be complete upon signed contract.

MY COMMITMENT

Transparency is the key to a prosperous relationship.

We understand it is important to make every dollar count. That is why we are committed to monitoring and maintaining the success of your project and do not require contracts.

I am here for you at anytime.

Louie Maier - President

TESTIMONIAL

One of the hardest things to manage is your investment and return. I'm thankful we met the company that exceeded all of 5LINX expectations. Working with Brandmint we learned the true value of proper social media management and the value that can be added directly to your bottom line through; target marketing, custom campaigns, and attention to detail that is unmatched. I highly recommend the Brandmint. The investment we've made in Brandmint has yielded a much better than expected return.

Jason Guck - Founder of 5LINX

TERMS

Intellectual property:

The client owns the intellectual property and has full rights to use the work as needed. We will only license or sell the work created for the client to another client if the client would like to use a template design. After two rounds of edits you are subject to an hourly billing. Your logo and branding is protected by copyright law but may not be protected by trademark law. Trademark rights are the responsibility of the client. Your designs may include stock art, photos, or illustrations created by someone else. You do not have the rights to use stock images in any means other than in designs we've provided. All stock images we provide are free of charge. Brandmint will be held harmless from any copyright infringement that the customer provides to include as copy

Changes/Cancellations/Billing:

Client may request changes, cancellations or the stopping of any work in progress, provided they are within all contractual obligations. All campaigns remain active unless customer notifies Brandmint of cancellation. To cancel you must notify ACCT@Brandmint.co - All contracts require a one year minimum. All monthly retainers require a voided check or credit card on file to draw on the 1st or 15th of each month. All Credit cards have a 4% fee. No refunds.

Hours of operation: Monday – Friday 9:00 A.M. – 5:00 P.M.
(585)493-6007
